

2023 Summer Reading

1. Read the selection listed for your grade level.
2. You may listen to the book on Audible or another source. Please read along as you listen. The books may be purchased through Amazon or any local bookstore. Barnes and Nobel usually has these books in stock.
3. As you read--take notes, underline and highlight passages that seem important to you. Make a list of words that you are not familiar with.

When we meet in August, there will be class discussions, a project, and a test.
