

2022 Summer Reading

1. Choose one book from the list for your grade.
2. You may listen to the book on Audible or another source. Please read along as you listen to it.
3. Take notes, underline, and highlight passages that seem important to you.

Make a list of words that you are not familiar with.

When we meet in August, there will be class discussions and/or a project to do for the book you read.
